

Outcomes:

FOR COMPANIES

- We assist your human resource department, your workload with respect to details is minimised
- Your costs are transparent
- Your staff members can start off in their new occupational environment without burden
- Your staff members will also experience your appreciation through this support
- Your satisfaction and that of your new staff members is important to us

FOR NEW ARRIVALS

- We know the market and have many years of experience in the relocation business
- We are your local, neutral contact before, during and after your move
- We will relieve you of the details and we also think of minor matters
- We are familiar with the hurdles which have to be overcome and can prevent disappointment
- We respond individually to your wishes, are flexible and work solution-orientated
