## Collaboration and Execution

### Client Objective:

- Conveys a first impression of life in Switzerland and an insight into the real-estate market in general.
- Providing comprehensive information about special regional features and about important factors of daily life.
- Having a feel for the local way of life is an important part of the decision making process as to whether to accept an international assignment.
- Orientation of Basel and the region
- Arrange accompanied visits to schools and child care facilities if required
- Answering what is Switzerland really like? Will the whole family like it?
- What are the schools and houses like?
- Answering question about issues of daily living.
- Area orientation tour
